

Celebrating a Legacy of Building an Equitable Economy

This celebration of **30 years of ASSETS** will be a convening of innovators, dreamers, entrepreneurs, and community leaders who are passionate about small business and building an ethical and equitable economy **#BuiltByUs**. This gathering will be held on **Tuesday, September 12, 2023**. Sponsors of the event will be exposed to key community figures, local change-makers, and local powerhouse entrepreneurs during the event, as well as thousands more in the promotional campaign leading up to the event. The funds raised through these sponsorships will be used to support the general mission of ASSETS.
